#### Desert West Payment Policy and Benefit Assignment

We are committed to providing you with quality and affordable medical care. Please review our practice financial policy.

- 1. **Insurance.** We participate in most insurance plans. If you are not insured or have a plan that we do not participate in, payment is expected in full at the time of your visit. It is the patient's responsibility to make sure that our office is kept informed of insurance changes. If you have questions, please contact your insurance directly.
- 2. **Co-payment**. All co-payments are due at the time services are rendered. For your convenience we accept Visa, MasterCard, AMEX, Discover, Care Credit, checks and cash.
- 3. **Non-covered Services.** Some, and perhaps all, of the services you receive may not be covered by your insurance company or may not be considered reasonable or necessary. All "non-covered" services are the responsibility of the patient.
- 4. **Updates.** Our staff will ask you to verify your information at each visit. Current information is vital in order for us to contact you regarding your treatment and for obtaining timely payment from your insurance company.
- 5. **Claims submission.** Desert West will submit your claims and assist you in any way we can to help get your claims paid. Your insurance company may need information directly from you. It is your responsibility to comply in a timely manner to their requests. Please note that the balance of your claim is your responsibility, whether or not your insurance pays your claim. Your insurance benefit is a contract between you and your insurance company.
- 6. **Delinquent Accounts.** If your account is over 60 days past due, you will receive a letter stating that you have 10 days to pay your account in full. If a balance remains unpaid, we may refer your account to an outside collection agency. If an account is reported to our collection agency a collection fee of \$50 will be added to any outstanding balance. Please inform our staff if you know your payment will be late in arriving or if payment arrangements are needed.
- 7. **Referrals and Authorizations:** If a referral is required by your insurance carrier, you will be asked to obtain the referral prior to your appointment. If a referral is not obtained, your appointment may be cancelled. Our office will obtain any necessary authorization from your insurance carrier, prior to scheduling your appointment. We suggest you contact your insurance carrier to verify your coverage, benefits and preauthorization requirements prior to having any procedure performed. Claims are paid based on medical necessity. Please be aware that authorizations and referrals are not a guarantee of payment.
- 8. **Missed appointments**. You may be charged for a missed appointment (min \$50), if you do not notify us at least 24 hours prior to your scheduled office visit or 7 days prior to scheduled surgery (min \$100).
- 9. Returned checks (NSF). You will be charged a \$50.00 processing fee for any personal check returned for non-payment.

I hereby authorize Desert West OBGYN to provide such medical services, either regular or emergency, as may be determined by my provider to be in my best interest (or the best interest of my dependent if I am signing as a parent or guardian.)

I authorize payment of medical benefits to Desert West. I agree that all charges for medical services rendered that are not directly paid by my insurance will be my responsibility. I hereby authorize Desert West to release the necessary information regarding my care to my health plan in order to complete and process my insurance claims.

Please note, all forms and policies can be found on Desert West's website at www.desertwestobgyn.com

**Instructions:** Your personal and family history of cancer is important to provide you with the best care possible. Please complete the chart below based on your personal and family history of cancer. The following blood relatives should be considered: **parents, siblings, half-siblings, children, grandparents, grandchildren, aunts, uncles, nieces** and **nephews** on both sides of the family. For cancer sites with a '1st-degree relative' notation, only parents, siblings, and children should be considered.

| Do you have personal history of:   | Yes(Y)/No(N)    | Which cancer?                             | Age at diagnosis?       |
|--|-----------------|---|-------------------------|
